Terms & Conditions

Funding will only be awarded for a specific project/activity/resource. This could be something already established that requires more funds to develop, or to get a new project off the ground. Applicants must be 18 years of age or over. Funding grants will be restricted to one application per project per rolling 12 month period. Individuals may make multiple applications within a 12 month period if the applications are for entirely independent projects/organisations. Funding cannot be awarded retrospectively ie for something that has already been paid for/delivered. The Panel's decision on whether a project is 'entirely independent' is final. Projects submitted must not generate a profit. All successful applicants must provide a report back to the Trust within 12 months on the impact of the project in the community and be prepared to feature in a case study for future marketing purposes to support the work of the Trust. All applications and the detail therein will remain confidential and viewed only by the Trustees and the community representatives who will form the panel. The Panel's decision on all applications is final. There is no appeals process and no further correspondence will be entered in to once a decision and rationale for that decision is given. The Trustees reserve the right to investigate any project at any time if they believe that Trust funds have not been spent exactly as outlined in the application. Your group must either have its own bank account, or a 'sponsor' organisation (eg your local Parish Council or Council for Voluntary Service) that is willing to accept the funds for your use.
